

Accuratus Scissors for Synthetic Soft Cast

The three models «Cast Cutter» have carbide inserts and allow a perfect cut of soft cast.

Allow a straight force transmission,
due to the ergonomic shaped rings.

Ensure optimal solutions
in most of the cases.

MODEL CURVED | 17 cm

Art. Nr. 04.88.50

MODEL UNIVERSAL | 19 cm

Art. Nr. 04.88.53

MODEL GLADIUS | 24 cm

Art. Nr. 04.88.57
